

2010 ARMY SCIENCE CONFERENCE (ASC) BEST PAPER AWARD

Dr. Greg Hudas and Dariusz Mikulski

TARDEC engineers won a Best Paper Award at the 27th ASC in Orlando, FL, last December. TARDEC Ground Vehicle Robotics Chief Engineer Dr. Greg Hudas and TARDEC Robotics Control Engineer Dariusz Mikulski were recognized for their outstanding robotics paper. Their work was selected from more than 900 entries and declared one of the "best of the best" by Deputy Assistant Secretary of the Army (Research and Technology), Dr. Marilyn Freeman.
